

Are you over age 50?

Consider making a catch-up contribution to your retirement!

If you contribute \$7,500 each year from age 50 to age 67 (17 years), you can make a big impact on your future.

WHEN AM I ELIGIBLE TO MAKE A CATCH-UP CONTRIBUTION?

If you turn age 50 anytime in the calendar year, you are eligible to contribute an additional \$7,500 into your plan as a catch-up contribution. This is in addition to the \$22,500 annual limit.

IS THE CATCH-UP CONTRIBUTION PRE-TAX OR ROTH?

Yes, either type of savings are available for your catch-up contribution. Depending on your income, the Secure Act 2.0 may require a change for your situation to Roth.

WHAT DOES IT ALL MEAN?

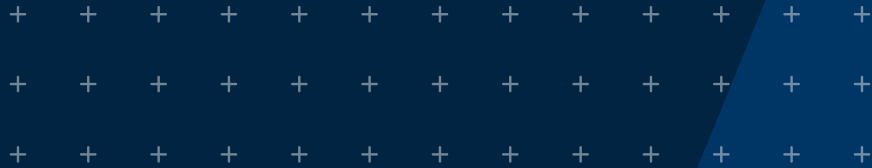

If you wish to save an additional \$7,500 per year, you can accumulate \$127,500 plus earnings in the next 17 years! As the limits to save increase, you may be able to save even more each year. Please access your retirement plan provider's website or consult with your financial professional.
